

**Public Art Squad**

**INTEGRATION OF ART, ARCHITECTURE AND LANDSCAPE**

**Company Profile:**

Established in 1978, Public Art Squad Pty Ltd pioneered the integration of art, craft and decoration with modern architecture and urban design in Australia. Directed by renowned artist David Humphries, the team creates original, durable artwork, putting visual images to work in public places and adding cultural and capital value to the site. Public Art Squad works closely with communities, architects, designers, planners and developers on large-scale public art projects, and over the years has developed specialist services for community groups, government authorities and the private sector.

**Product Range:**

The work of Public Art Squad incorporates decorative terrazzo, mosaic and mural artwork. The company's terrazzo and mosaic artworks are available as in-situ installation, pre-fabricated tiles or pavement inserts.

**Recent Projects:**

Amphora Resort, Cairns; Blacktown Council Sherwood Park pavements; Star City Casino; Marrickville Council Steel Park Community Sports Centre; Australian National Maritime Museum, Sydney; The Olympic Journey Celebration Pathway, Darling Harbour; Fashion and Textile Museum, London; City of Melbourne, Bourke Street Mall Tramway Zone; HMAS Brisbane Memorial, Maroochy Shire Council, QLD.
